Dwayne wants to remind us that we can get our own photos put on metal like these.

At \$75 they would make a great gift or a unique way to really personalise your man-cave (or living room if the wife allows 😊)

If you're interested in having a personalised sign then contact Dwayne on the next ride.

Otherwise, he still has some of the initial batch for sale so jump on these a.s.a.p..

Metal Triumph Signs 2 sizes 445mm x 295mm (\$45) or 300mm X 200mm (\$28)
